

Bible Quiz 2009
North-Central California
Rule Changes and Information Updates

Quiz Participants

Each team member must participate in at least half of the quiz.
Half of the quiz is defined as:

- ★ All of the Multiple-Choice Round; OR
- ★ All of the Speed Round (unless he/she quizzes out); OR
- ★ Half of the Multiple-Choice Round AND half of the Speed Round (unless he/she quizzes out)

Individual Awards

Highest Honor: quizzers in each flight with the highest total points (subject to discretion).

Quiz Champion; quizzers in each flight that meet the following criteria:

- ★ All multiple choice questions answered correctly.
- ★ Quiz out in speed quizzing with three questions answered correctly. Point value for question is not considered.
- ★ Did not answer any speed quiz questions incorrectly.

The definitions for these awards have been changed.

Quiz Flights

- ★ Based on conversations at Coaches Training, it looks like there will be enough quizzers to hold Book 4 quizzes at all four quiz locations.
- ★ It is likely that we will have flights in separate rooms for Book 1 and Book 2 in Oakhurst and Stockton. We will have more information after registrations are received. We are already doing this in Los Altos.
- ★ Depending on the number of registrations received we may have individual quizzes instead of team quizzes in Book 3 and Book 4 where necessary. We will have more information on this after the registrations are received.
- ★ We likely will not schedule the quiz flights in Book order (i.e. we may start with Book 2 or Book 3 instead of Book 1).
