The Awana Ministry Agreement licenses and enables the church to use Awana® programs in the Church. This Agreement enables the Church to send groups of children or young people to participate in regional events sponsored by ACI Regional Ministry Divisions.

The Agreement between the Church and ACI regarding participation in Awana regional events is as follows:

- 1. Term of This Agreement :** This Agreement will become effective on the date signed and will remain in full force and effect as long as the church maintains the Awana Ministry Agreement referenced above and continues to pay its annual registration fee to ACI as described in the Ministry Agreement.
- 2. Events:** Awana events include, but are not limited to, AwanaGames™, Bible Quizzing, Camp-a-Rama™, Sparks-a-Rama™, Summit™ , or any other Awana sponsored event (individually, "Event" and collectively, "Events").
- 3. Specific Event Participation:** The Agreement is a precondition to the Church's participation in any Event. To participate in a specific event, the Church will complete an Event Registration Form for any Event in which it desires to participate. Each time the Church participates in a specific Event, such participation is subject to the terms and conditions of this Agreement.
- 4. Conduct at Events:** The Church understands and agrees that any behavior inconsistent with Event guidelines or any behavior by a member of the Church's Team that impedes or obstructs the progress of the Event, gives ACI's regional staff the right to take corrective action including removal of the Church's Team from an Event or termination of the right to participate in any further Events by the Church. For purposes of this Agreement, the Church's Team means not only children and youth participating in the Event, but also the leaders including any Church-related volunteers, staff, employees, officers, members, congregants, or invitees.
- 5. Church Responsible for Screening and Child Protection Precautions:** For the purposes of child protection, the Church is solely responsible to screen, select, train, and supervise all members of the Church's Team participating in the Event and shall not permit any persons who have not been properly screened to participate in the Event.
- 6. Church Agrees to Indemnify and Hold ACI Harmless:** The Church agrees to indemnify and to hold ACI harmless from and against any and all claims, damages, or liability arising from the Church's involvement and participation in an Event or arising from any conduct or activities of any member of the Church's Team. This provision survives the termination of this Agreement.
- 7. Relationship of Church and ACI:** Members of the Church's Team involved in an Event are not volunteers, agents, employees, or staff of ACI.
- 8. Legal Authority:** The person signing below has authority from the governing body of the Church to sign on behalf of the Church and to commit the Church to the terms of this Agreement.
