

North Central California

Trek Meet

February 11, 2012 –Trinity Baptist Church, Livermore, CA

Trek students from North-Central California will participate in fun, fellowship, and competition. Teams arrive at the church on Saturday morning for the Trek Bible Quiz, then after lunch, we will converge on the gym for the AwanaGames competition, which will determine the Trek AwanaGames champs for all of North-Central California!

Trek Meet is for Trek students, and is a great opportunity to get teens involved in a healthy and fun team athletic competition. The ten unique games are designed so that every participant, regardless of size or athletic ability, can contribute to the team effort. Bible Quizzing is also a team effort consisting of Team Multiple Choice and Team Huddle (written answers).

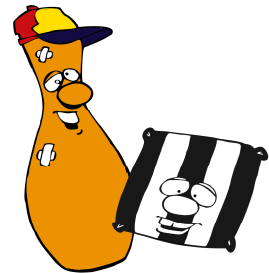

Encourage all of your Jr. Highers to participate in both events!
